this is a very enlightening book that breaks new ground for those who wish to stretch their spiritual wings based on real life spiritual experiences this book describes the real life learning and experiences of those who are born on this earth part i is the journey it describes the stages of spiritual psychological faith and challenges we all go through from childhood to old age real life stories from the author s life are used to illustrate how we grow closer to god at times this book is gritty showing real pain and anguish of certain people that we all know life can be part ii is the learning this part goes way beyond religious doctrine here topics such as suffering real life roadblocks to spirituality the worlds major religions and how close they really to each other at their core science and god show an amazing unity between them we find that the reality that we perceive is not actually there again real life current scientific information is used and real life stories are used to bring life to the concepts part iii is the hope here is described the hope of mankind through prayer and the different paths to god it also tells of real life passing away stories it centers on the people who survive their loved one s now in heaven it also describes real life mystical events that happen to those who are left behind the book starts with souls before they are born and completes the human experience cycle with souls back home in heaven and how they communicate to their loved ones still on earth throughout the book the emphasis is on real life stories with all its pain and joys using actual scientific information recently discovered to bring light to the human experience

discerning your true spiritual calling pleasant words are as an honeycomb sweet to the soul and health to the bones proverbs 16 24 fasten your seat belts we are embarking on a spiritual venture a journey of discerning your true spiritual calling and your divine gifting from god that dwells within you this is going to be a dynamic journey one that will open your eyes to the truth of who god created you to be let us then approach this work titled discerning your true spiritual calling with admiration and not fear with truly a humble reflection not with a sense that we are undeserving let us approach it generally blissfully eager to acknowledge happy to research hoping and

believing that as a result of our efforts we shall obtain not only a great good that includes a sound understanding of the natural laws of life as well as a deeper understanding of the god within in order to be effective in the earth realm and witness the manifestation of the power of god in this earthly realm you must understand the order of god and the principles of the spirit in the foreword taken from the book spiritual protocol we see a definition of the word submission emerging this prophetic utterance sets the stage for this important spiritual work discerning your true calling and gives us a direct guide to the path of awakening the god within we believe that the holy spirit is trumpeting a message in the body of christ that we must know how to behave ourselves in the house of the lord as we well know you shall know the truth and the truth shall make you free

a refreshing and liberating perspective to the church member who has actively participated in the life of their local church for 10 15 20 or more years yet still feels spiritually dry the author peels back the institutional veneer of the local church to delve into the spiritual dynamics that operate organically within and upon souls that believe in jesus christ this divinely inspired work shines a much needed guiding light upon key faith concerns that impact the liveliness of a believer s walk regardless of his her situation of life addressed are such concerns as the revolving door of new converts clarity about the nature of a genuine confession of faith organic elements of god s transformation of the believer s soul and the necessity of being immersed into the revelation of christ and his gift of god s life within us through this work the institutional veneer around the believer s religious life is put into perspective thereby enabling a fluid fellowship with jesus christ and a vibrant servant

though we are literally awake as we travel through life we are often spiritually asleep what can we do then to wake up our souls and have an insight into the unlimited power of the universal mind and manifest the spiritual lives we have always desired in empire of the spirit author stephen thomas lee opens the doors of perception and shares a warm intimate and inspiring spiritual memoir of his own personal journey to find spiritual reawakening his words are both intelligent and visionary and he offers a way to become aware of the universal intelligence which is expressed by our hearts as universal love universal peace and universal compassion meditation can reawaken the spiritual mind to the universal divine light and these spiritual revelations can unify our consciousness and help us see clearly and face suffering with a new perspective join along on this personal journeya journey that reveals contact with archangelic messengers and other spiritual guides and a journey with metaphysical experiences and paranormal events that defy the known laws of physics these

happenings became teaching tools to explore the infinite boundless and unlimited power of the universal mind and they can become for you an inspiring way to be connected to unlimited universal consciousness as well

in christ we have been awakened to our true awareness and have given us our true image and likeness as a new creation as a new creature a new spirit man a new heaven and a new earth and it has been our true nature since the foundation of the earth in yahushua the false identity of the first adam was annihilated at the cross the first adam brought a false image and identity that caused us to be curse death to reign in our lives and brought sickness by giving us a mistaken identity and by replacing our true essence of who we were in christ

heroes sages and madmen is not a book for everyone but its potent message is about everyone it reveals a direct and honest no nonsense revelation for spiritual aspirants who with courage heroism and sincerity are ready to go beyond the limitations of popular religion academic philosophy physical exercise yoga and mental meditation it is a revealing new fresh and amazing look into the four major traditional paths of enlightenment it takes you where very few will go it takes you into the midst of the personal attainments blisses challenges pitfalls and dangers of spiritual practices and it takes you into the consciousness and personal strategies of the far reaching socially popular and pretentious pop guru the seventy nine short conversations in this book are guaranteed to convey many key secret spiritual teachings of the past these secret spiritual teachings are traditionally known only by true and ripe spiritual heroes and authentic sages saints and yogis within these pages you can discover what causes the social bondage personal dissatisfaction and the failing habitual struggles for inner happiness and peace in the midst of the enigma and quagmire of ordinary thinking and analytical minds the author reveals and restates many ancient esoteric secrets of spirituality and most importantly the author shows how you can find a way out of your spiritual social and personal dilemmas in the questions and answers in these conversations many universal truths are delineated from major philosophies religions and spiritual practices and then their apparent differences are explored summed up and reconciled the questions and answers in this book originated from dozens of sincere spiritual aspirants from group sessions e mails personal notes formal letters telephone conversations and one on one sessions since the early 1980s each question and answer is paraphrased by the author the information knowledge and wisdom in this book have been distilled directly from personal experience from a lifetime of spiritual study and practices the questions and answers are direct and sometimes surprising at other times the authors

direct answers may challenge the spiritual assumptions of many neophyte and mature spiritual aspirants the purpose of each answer was to directly serve the sincere spiritual aspirants spiritual development and awakening beyond their popular religious academic philosophical and social belief assumptions in addition popular misunderstandings surrounding classical spiritual teachings and their four major traditional paths of enlightenment and practice of yoga are described evaluated and discussed in depth and lastly the thinking analytical meditation methods of popular spiritual movements in the west european cultures are considered in contrast to the contemplative meditations of the great sages saints and yogis of the classical east non european cultures unfortunately the english language does not lend itself to explain and define the metaphysical principles and concepts of contemplative spirituality contemporary english is predominately a language of definitions names forms and objects as demonstrated in english as used throughout the material world for business and commerce other languages such as sanskrit pali tamil and hebrew are spoken and written to understand and verbally communicate both the dual physical world of objects and the multidimensional transcendental spiritual world beyond social psychology and formulative physics for this reason the author has modified many spelling grammar and syntax rules to emphasize and endeavor to explain contemplative concepts that cannot be explained by academic english therefore you may discover that many sections may contain imperfect spelling grammar and syntax that are ordinarily absent from professionally produced books to assure the authors metaphysical meani
